Albinora is a management consultancy and personal coaching firm that primarily focuses on women and their empowerment. The firm strategically builds its foundation to provide a dynamic platform of opportunities for women to grow personally and develop professionally. Albinora is a pioneer in its specialization of nurturing women; through counseling, training, and providing the necessary resources needed by individuals or corporate groups.

A founder in its domain, Albinora consulting has the answers to individual necessities for a woman to grow, develop, and lead. It offers a platform of dynamic solutions related to PR Communications and Marketing Services to corporations, providing them with the foundation for developing effective strategies and advertising campaigns that target women. Albinora consistently strives on enhancing its services, to help women realize higher levels of multidimensional growth. It, thus, provides services for women in all stages of life: executives, dignitaries, mothers, teenagers, and the growing career women.

Our Vision

To be the leading global brand for empowering women

Our Mission

Albinora is an organization that works internationally to support women and provide them the foundation to lead. We believe that every woman plays an important role in building a family; and thus, our society. Our mission is to empower that woman inside every female, allowing her the strength to excel in every field.

Our Team

Nobody understands a woman's needs like another woman !

Albinora is dedicated to the wellbeing of women. To provide such services, it has assembled an integrated team of highly qualified female consultants and partners who have spent years catering to women of different societies.

Collectively, our team members possess years of experience in various fields of business development, strategic planning, and personal coaching.

These members are there to help you in every step of the way !

Our Services

Human Capital Solutions

Presented to Women by Women™

We have the right candidates and unparalleled HR solutions for your corporate needs.

Through utilizing various resources, we deliver a suitable associate for your vacant positions. We find, screen, and manage our pool of candidates before presenting them to you. No matter where your business is, we are able to staff you with temporary as well as direct-hire placements.

We provide you with quality human capital solutions for your businesses that include:

- Recruiting services
- Trainings (corporate and individual)
- Coaching (individual)
- HR Management Surveys

Companies are striving to hire the best teams; while professionals are striving to partner with organizations where they can grow their careers. We make the match.

We bring value to our clients by delivering the products that will allow them to continuously grow and develop. We assist our clients and their employees reach their business and personal goals. We enable our clients not only do their best, but to want to do their best for themselves and for the organization. All services we provide must directly connect to the client's core purpose for being in business.

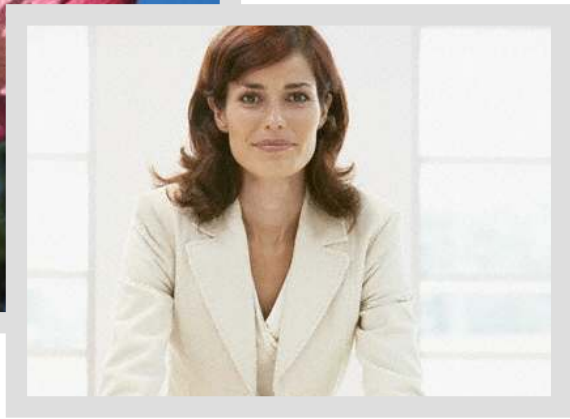

Marketing & PR Management

Presented to Women by Women™

We are your source of market intelligence and strategic communication

Our specialists have in-depth knowledge, enough to offer you unbiased reports related to women in different fields and different markets. Before launching that product and before retrieving that competitive analysis; learn how your target market can affect your business.

Some of these solutions include:

- Event management
- Corporate relations consultancy
- Developing brand identities
- Marketing Management
- Diagnosis and solving of marketing and sales problems
- Strategic communications services

Our consultants can help you maximize profits by delivering the right messages to key audience. We offer an integrated solution of market information gathered from a wide range of sources and advanced analytical systems and methodologies to help our clients find the best paths to reach their targets.

Entrepreneurial Development

Presented to Women by Women™

We add value to your investment portfolio !

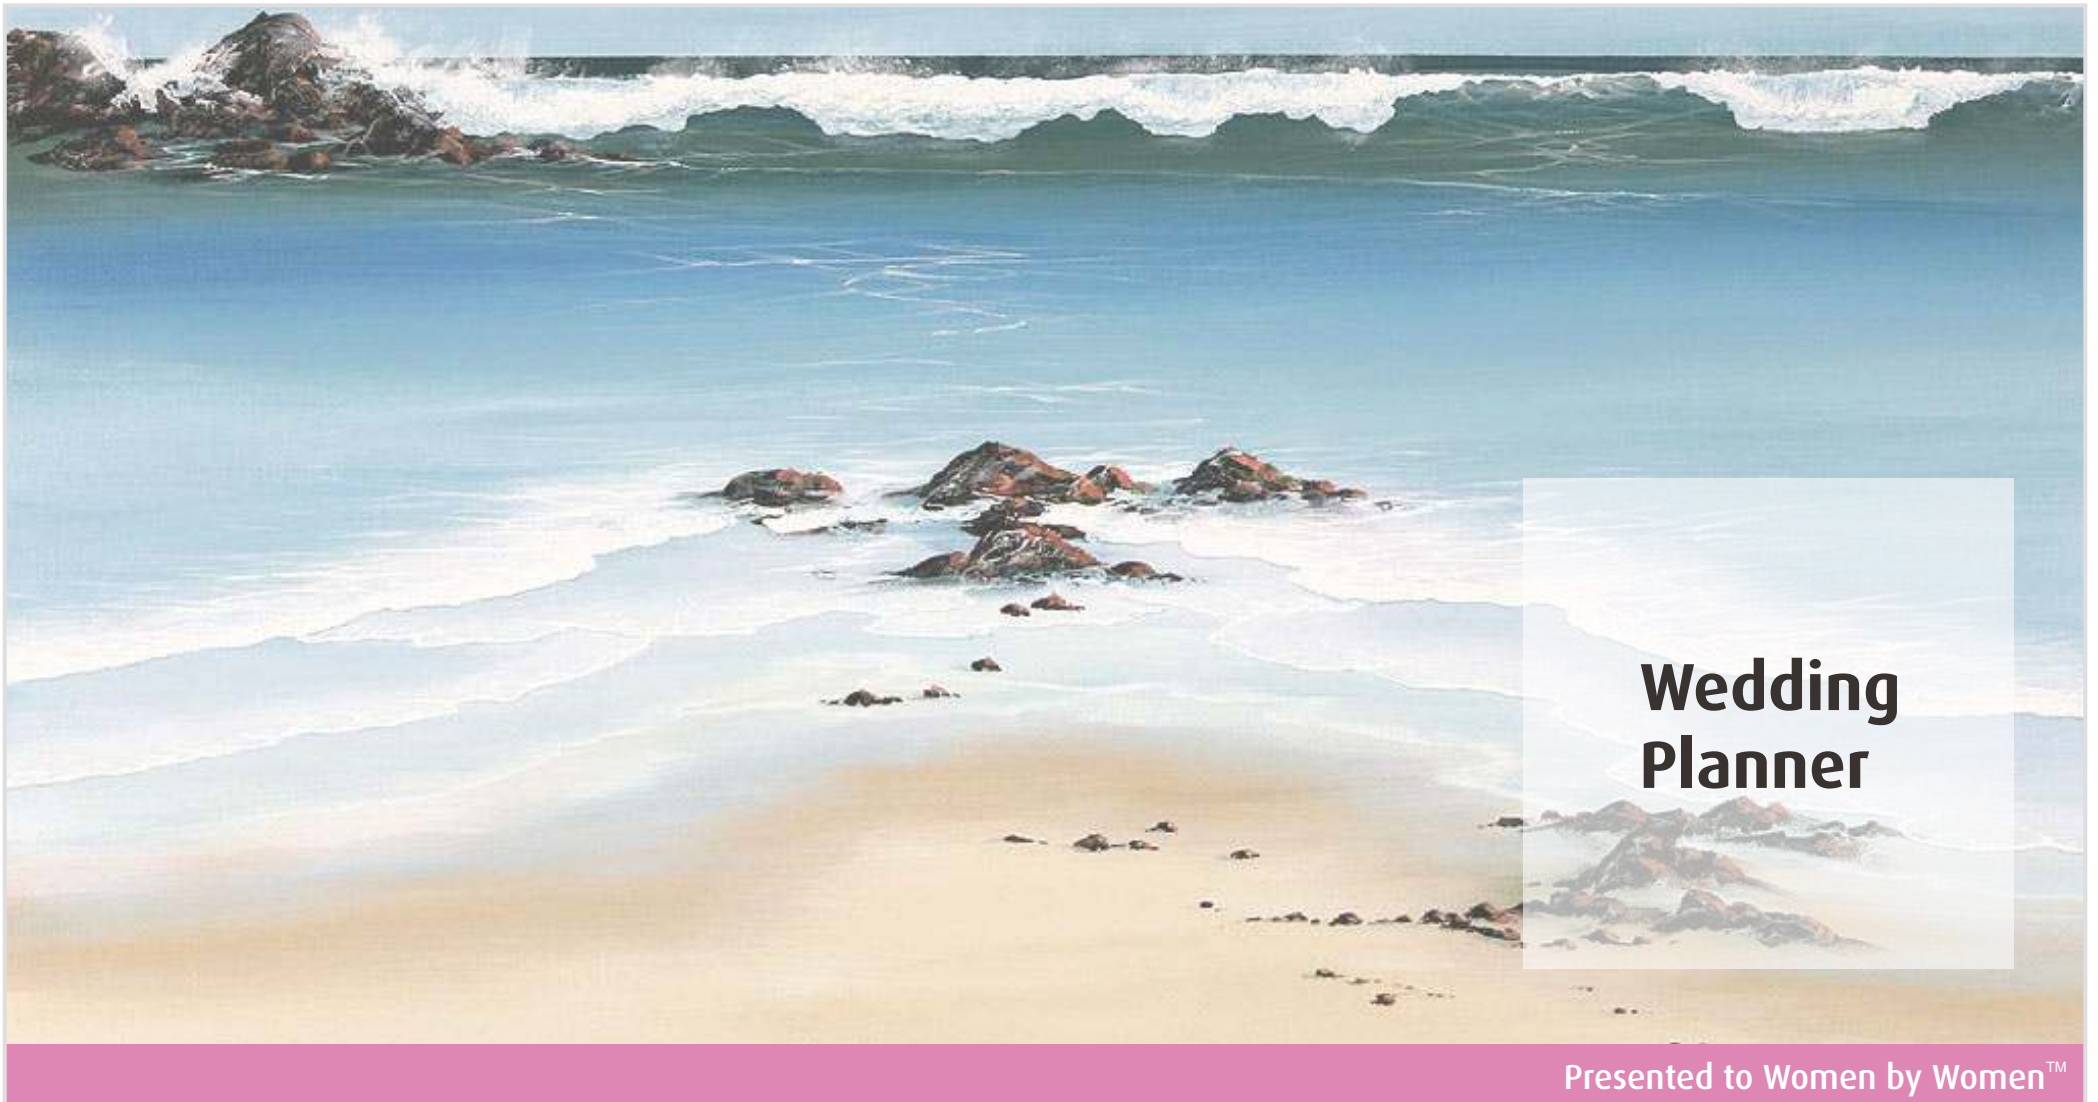

Our consultancy team can offer you a wide range of services by strategizing for your business. Be it general advice, planning, marketing, or sales assistance; we deliver practical, affordable, and workable business solutions.

Watch as our formulas help you achieve your goals preceded by stages of business evaluation, advice sessions, as well as strategic planning.

Our team guides you step-by-step on planning how best to use your resources and steer in one direction success !

Wedding Planner

Presented to Women by Women™

We make your special day, even more special!

We take you through the excitement of planning and make your preparation a joyful experience. From choosing your venue to the moment the bride and groom enter the room, we walk you through it all.

Choose from our customized wedding packages and services as we offer you lists of ideas and tips that cover every aspect of a traditional, and even and not-so-traditional wedding!

We offer a wide range of wedding planning services, such as:

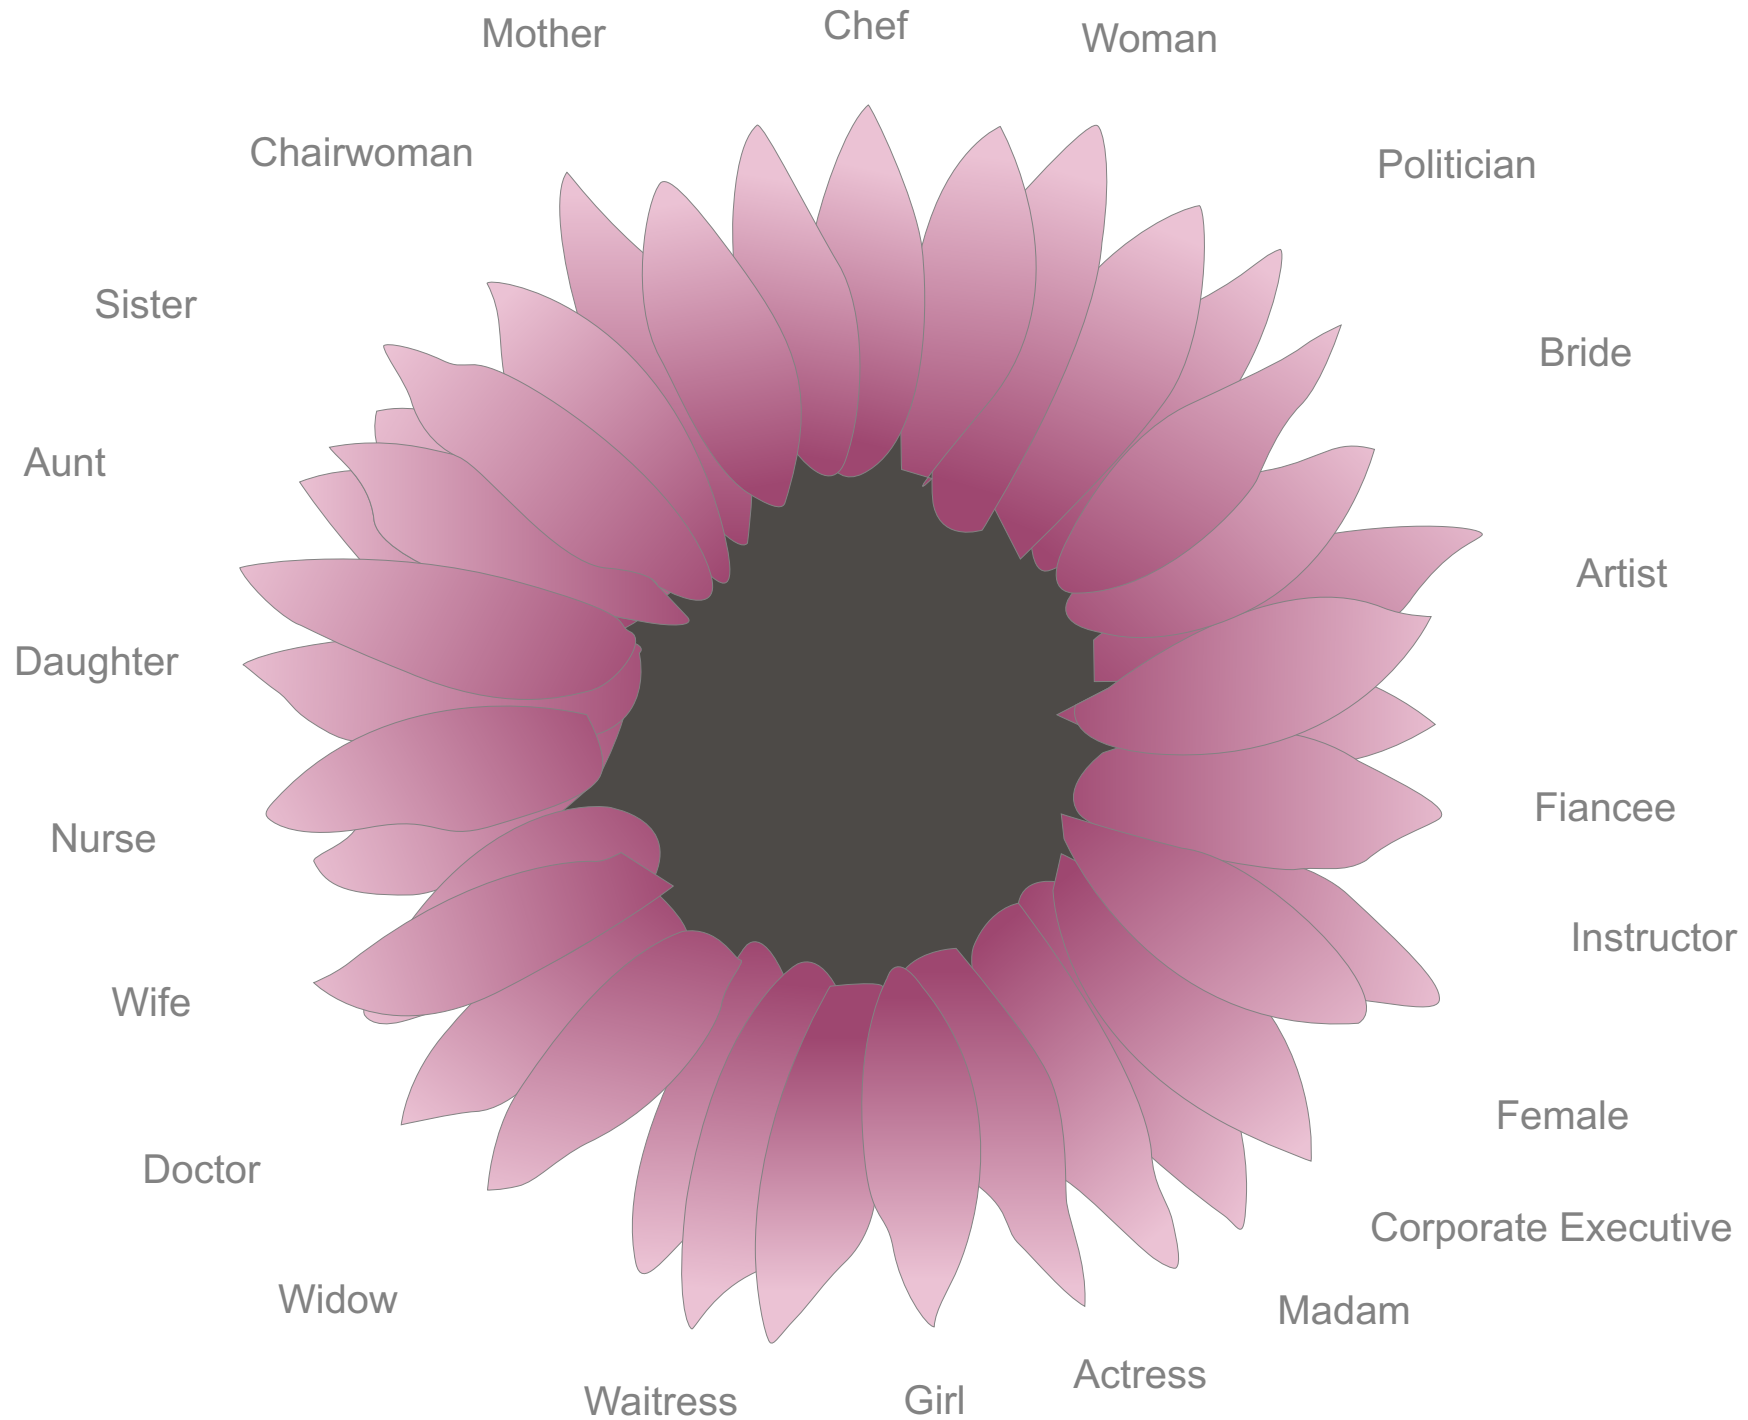

- Design, printing, and distribution of invitation cards
- Limo rental services
- Floral services
- Photography hiring
- Audio visual equipment hiring
- Entertainment advice
- Honeymoon planning
- Hair and make up services
- Personal shopper (for the bridal gown)
- Organizing bridal showers
- Brainstorming on creative ideas
- Catering

Not long ago, hiring a wedding consultant was seen as a luxury, only used by the wealthy. Today, a consultant is essential to the success of a wedding ceremony. Being experienced in negotiating contracts with caterers, florists, photographers, and other suppliers, the consultant saves valuable time and money for the groom and bride. In the last decade, the need for professional wedding consultants has grown exponentially as women have become busier; juggling the demands of their professional and personal lives to oversee the details necessary to create the wedding of their dreams.

Albinora consultants can make all the arrangements necessary to turn your dream into reality. Our consultants are not here to make decisions for you, but to guide and assist you in making informed decisions. Their training, knowledge, and experience will help you host the most beautiful event of your life.

Albinora consultants can furthermore make all arrangements, including rehearsal dinners, bridal showers, invitations, catering, limos, entertainment, rentals, flowers and more. They can provide creative ideas that could be integrated into the occasion and help enlighten the smallest of details. Our consultants have been trained to handle the unusual!
